NA'AMAT WORLD MOVEMENT

Declaration of Solidarity and Support

In the 67th year of the State of Israel and the 95th year of NA'AMAT Israel, we have gathered here, NA'AMAT representatives of the Jewish people around the world, to express our solidarity and support for the State of Israel and the NA'AMAT movement.

As Zionist women, we hereby pledge ourselves to operate to the utmost extent of our organizational and ideological power on behalf of the State of Israel and NA'AMAT Israel, which works resolutely and tirelessly in the spirit of equality, democracy and social justice.

Our contribution to Israel and NA’AMAT stands out throughout the country, with day care centers, technological schools, youth villages, legal advice bureaus and thousands of female students in higher education thanks to the help of NA’AMAT scholarships and research grants.

We support NA’AMAT Israel’s public struggle to achieve gender equality, to advance parliamentary legislation, to prevent violence, to strengthen the working family in Israel and to promote peace and coexistence.

Israel is the homeland of the Jewish people. The NA’AMAT movement in Israel and in the Diaspora fortifies its bond with the people, the state and the society in Israel.

In this statement, we express our commitment to continue our activity for NA’AMAT and for the State of Israel in the years to come.
